2024 Pinot Noir Estate

94 pts | *James Suckling*

“Aromas and flavors of red raspberries, marionberries and barely ripe blackberries. Fresh, succulent and delicious, with notes of lavender, fresh herbs and roses. Really pretty, elegant and structured. Medium-bodied. Drink now.” – Courtney Humiston

“The 2024 Pinot Noir Estate wafts up with a whiff of chalk dust and white pepper, giving way to dried violet and strawberries. It is juicy up front, with firm mineral tones and zesty acidity as perfumed wild berry fruit slowly saturates the palate. The finish tapers off chewy and long, leaving hints of lavender over a saturation of blood orange.” - Eric Guido
