WINE CLUB

Yamhill Valley
vineyards

Welcome to the Club!

Yamhill Valley Vineyards Wine Clubs offer you the opportunity to increase your knowledge of Oregon varietals and expand your wine collection, while enjoying exclusive membership benefits. The YVV Wine Club allows you to fill your cellar with your favorite Yamhill Valley Vineyards offerings, while the Tall Poppy club guarantees you access to our most exclusive wines. The best part of all, these clubs aren't mutually exclusive – so you can join either one, or both!

YVV Wine Club – The club that caters to your palate! We offer a diverse selection of estate grown red, white, and rosé wines for you to choose from. This customizable club allows you to select which bottles to go home with and how often – it's that simple and that flexible. Get to know new wines each time you pick up, or stock up on your go-to wines to bring home. Your commitment is 12 bottles of wine per year, the rest is up to you!

Tall Poppy Wine Club – The special wine for which this club is named is only made from outstanding vintages, maturing in our finest barrels, yielding a luxurious and overachieving Pinot Noir. Only having been made a handful of times in our history, Tall Poppy is an elusive wine that doesn't come around every year. Membership of the Tall Poppy Wine Club ensures you one bottle of Tall Poppy Pinot Noir along with two bottles of our Reserve Pinot Noir. You will receive this selection once a year in November.

Both Club membership benefits include:

- Complimentary tastings or a glass of wine for you & three guests six times/year;
- A 20% savings on all wine purchases and special event discounts;
- Early bird notice on spectacular sales throughout the year;
- Annual Wine Club members only Appreciation Dinner

Family owned since 1983
